

# STORGARD®

## INSECT MONITORING SYSTEMS

**Durable:** Reusable trap for long-term field use.

**Space saving:** Compact design allows for use in tight spaces.

**Easy to use:** Quick deployment and fast periodic insect counts.

**Effective:** Consistent insect captures to highlight target insect presence.

**Low-cost:** Only periodic pheromone lure and oil replacements required.

Dome Traps and Pheromone Lures Available for: Cigarette Beetle (CB), Confused or Red Flour Beetle (CFB/RFB), Khapra or Warehouse Beetle (KB/WB), Sawtoothed Grain (STGB) and Merchant Grain Beetle (MGB).
